☐ MINOR AMENDMENT - No change in approved position of _____. See comments below.
☒ OTHER - See comments below.

COMMENTS:

This bill states the intent of the Legislature to require that computer terminals installed in state offices be available to the public for Internet access.

As intent language, this bill would not impact the department's programs and operations or state income tax revenue.

According to the author's staff, this bill is a "spot bill" intended to address the issue of the "digital divide."
